Dear Terry, Maryalice and staff,

I'd like to take a moment to thank you for hosting the Opening Party and the Jungala Jive during Carnival. We understand the amount of hard work, time, expense and energy that goes into producing an event and we really appreciate your contribution. The schedule was packed with fun, exciting activities and parties this year and we have received so much positive feedback. It has turned out to be one of our more financially successful Carnival's to date, and we could not have done it without so much support from our business community. Carnival is our biggest fundraiser, and it allows us to do the work we do to make Provincetown the premier GLBT travel destination all year round. The next Carnival will be from August 14th to 18th, 2011. Thank you again!
