Friend:

On behalf of the Board of Directors of the Soup Kitchen in Provincetown, as well as the many people who benefit from our program, we thank you for your recent gift of cases of Soda, Juice, & plastic cups. Your contribution will be recorded as a Gift-in-Kind of Food to the Soup Kitchen in Provincetown. For tax purposes, the value that you place upon this gift is fully tax-deductible.

In this difficult economy, your gift will enable us to provide food, friendship and service all winter to many of our friends and neighbors.

Thanks again for your support, understanding and assistance. We are most grateful.

Sincerely,

Hank Janowsky
