

October 1, 2010

Greetings from the Swim for Life,

The 23rd annual Swim for Life & Paddler Flotilla was a tremendous success. This year we raised an estimated \$200,000 for AIDS, women's health & the community.

The choppy and windy water brought out 405 swimmers - a record number, and 60+ kayakers, along with 150 volunteers to join in this inspiring community event.

The Provincetown Community Compact would like to thank you for your contribution and generosity, helping to make the Swim for Life celebration an essential Provincetown experience.

We look forward to your support next year set for September 10, 2011.

Please check out our website for details on this year's fundraiser:
www.swim4life.org.

Peace,

Jay Critchley

Terry - It's so great working with you -
Thanks - Jay
